

# Water Polo COVID-19 Safety Plan

Effective 1 July

## WATER POLO COMPETITIONS AND TRAINING ACTIVITIES

This COVID-19 Safety Plan is here to help you create and maintain a safe environment for members.

1. Complete this plan in consultation with your committee and administrators.
2. Share this plan with your members and facilities.
3. This will help slow the spread of COVID-19 and reassure your members that they can safely participate in activities.
4. You may need to update the plan in the future, as restrictions and advice changes

### WELLBEING OF MEMBERS

- Ensure health declarations are completed by coaches and players.
- Display conditions of entry clearly at training/competition facility. (number of people in the water, stands, time restrictions, hygiene requirements)
- Exclude players, officials, spectators who are unwell.

## PHYSICAL DISTANCING

- Ensure the number of people in attendance at a facility does not exceed one person per 4 square metres (including staff) or exceed the requirements set by the facility.
- Implement measures to prevent crowding, such as setting up stations around the pool and rotating around the edge to avoid contact
- Ensure any spectators comply with 1.5 metres physical distance where practical, such as through staggered seating. People who live in the same household are not required to distance. Recommend drop off and pick up times.
- Assess the safe capacity of communal facilities such as showers, change rooms and lockers. Encourage showers and changing to be done at home.
- Use cones to visually identify safe distances when queueing for drills, swim sets, etc.

## HYGIENE AND CLEANING

- Ensure hand sanitiser is accessible at the venue entry and throughout the facility or ground.
- Encourage participants to bring their own water bottle, snacks/orange slices and sweat towels. Avoid shared food and drinks.
- Ensure processes are in place to launder shared equipment after use, such as caps and balls.
- Reduce sharing of equipment where practical and ensure these are cleaned with detergent and disinfectant between use.
- Disinfectant solutions need to be maintained at an appropriate strength and used in accordance with the manufacturers' instructions.

## RECORD KEEPING

- Sign in to the Ryde register at the front desk.
- Club to keep a record of name and a mobile number or email address for all staff and athletes in attendance. Ensure records are used only for the purposes of tracing COVID-19 infections and are stored confidentially and securely for 28 days.
- Make your staff and volunteers aware of the COVIDSafe app and its benefits to support contact tracing if required.

- Cooperate with NSW Health if contacted in relation to a positive case of COVID-19 at your workplace, and notify SafeWork NSW on 13 10 50.
